Visitor Parking

The Arizona Center Parking Garage is the most convenient parking option. The garage is located at the southwest corner of Fifth and Fillmore Streets. Enter and exit the garage on North Fifth Street, marked by the ★ on the map, and park in Visitor or Unmarked spaces. There are usually more open Unmarked spaces on floors 5-8, especially during the middle of the day. **If you need elevator access, do not park on Floor 3.**

Finding Our Office

After parking, take the southwest elevator bank or stairwell to reach Floor 2. (Note: Floor 2 is labeled "M" for Mezzanine on the elevator panel.)

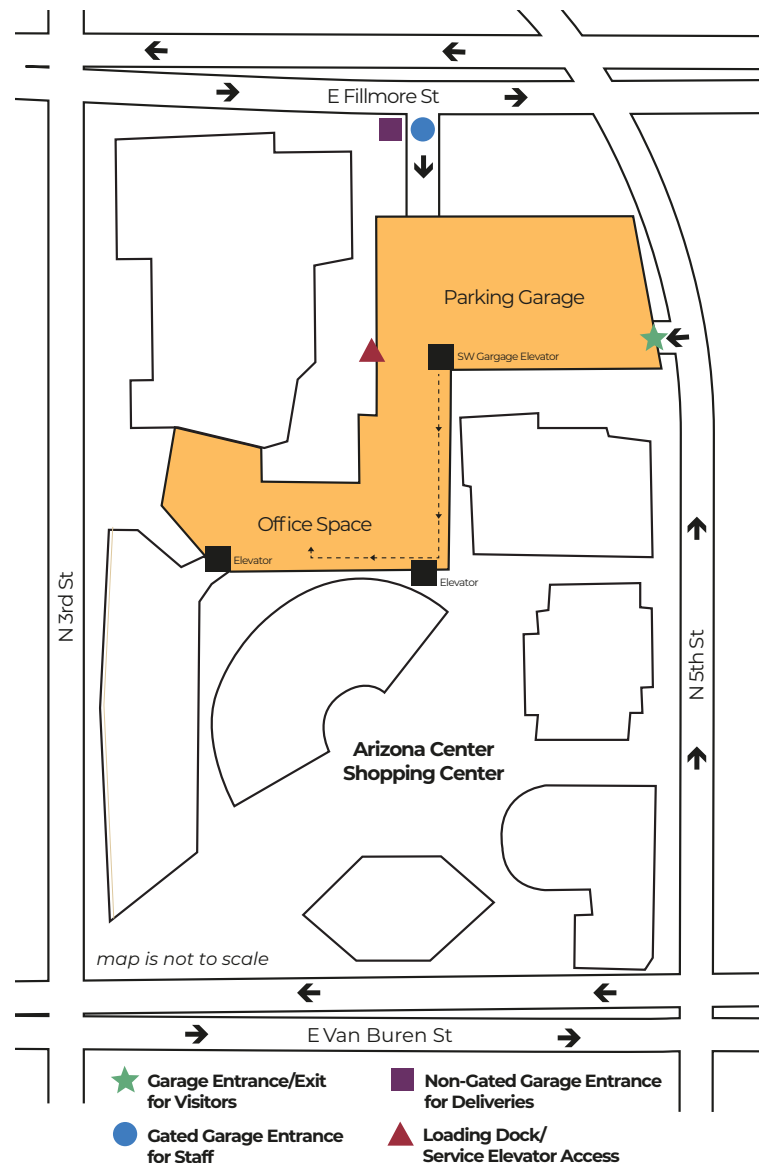

You cannot access Floor 2 from the southeast elevators.

Once on Floor 2, walk south along the mezzanine pathway. At the end, turn right (west) and walk halfway down the Mezzanine walkway. The first doors on the right are marked 260.

A key card is required to enter the building. Please ring the doorbell or call 602-496-1360 for entry. Our offices are immediately to the right in Room 220.

Parking Validation

Please keep the gate ticket issued upon entering the parking garage with you. Parking validation is provided for those with scheduled appointments in our office.
