

CO-ADVISING FRAMEWORK: STUDENT ACTIVITY OVERVIEW – GRADES 9 THROUGH 14

The following tables provide overviews of the student activities outlined in the Co-Advising Framework. The first overview emphasizes the grade(s) in which activities should be undertaken, while the second emphasizes the relationship between student activity and co-advisor responsibility. This document may be used by advisors and students as a reference when confirming students' completion of activities outlined in each grade and determining the co-advising responsibility that each activity falls under.

A color-coded key applies to both summaries:

- **Red: Individual Advising Plan**
- **Purple: Postsecondary Exploration and Navigation**
- **Green: Career Exploration Through Labor Market Awareness**
- **Orange: Rigorous Academics**
- **Blue: Work-Based Learning (WBL) Preparation and Opportunities**
